

Mid Island Dahlia Society

The **Mid Island Dahlia Society** is dedicated to friendly people who enjoy growing Dahlias, and associating with other gardeners.

We keep each other informed about new varieties of Dahlias, and learn techniques for Planting Dahlias, Maintaining Dahlias, Harvesting Tubers and storing them successfully.

We have two Exhibitions each year.

Volunteers from **MIDS** plant and maintain the Dahlia Gardens at Planting Fields Arboretum, the Eastern Trial Gardens at Eisenhower Park, and the Eisenhower Park Display Gardens.

We share our knowledge, and our tubers, with our friends (new and old)

We have a Spring Luncheon, Summer Picnic, and a Winter Holiday Party. We meet on the first Monday of the month from February through December. At 7pm on each meeting day, we offer a class for people who are eager to learn the basics. The regular meeting begins at 8pm. Each month we offer a program of interest to Dahlia aficionados
